

## INCA ONE GOLD CORP. GRANT OPTIONS

**VANCOUVER, BC – September 26, 2016 - INCA ONE GOLD CORP. (TSX.V: IO) (“Inca One” or the “Company”)** announces that pursuant to the Company’s Stock Option Plan, the Board of Directors has authorized the granting of incentive stock options to directors, officers, consultants and employees of the Company to acquire an aggregate of 3,595,000 common shares of the Company. The options have an exercise price of \$0.25 per share and are exercisable until September 21, 2018.

The Company also announces that it has retained Trapeze Capital Corp. (“**Trapeze**”) for trading services with respect to the common shares of the Company with the primary objective of contributing to the market liquidity of the common shares of the Company in accordance with TSX Venture Exchange (“**TSXV**”) policies.

Under the terms of the agreement between the Company and Trapeze dated September 2, 2016 (the “**Agreement**”). Trapeze will receive a fee of \$5,500 per month plus applicable taxes, but will not receive shares or options as compensation. The Agreement is for an initial term of 6 months commencing October 1, 2016, and may be terminated upon 30 days written notice by the Company to Trapeze. Trapeze and Inca One are unaffiliated entities; however, Trapeze and its clients may have or may acquire a direct interest in the securities of the Company.

In conjunction with this Agreement, Inca One has terminated the prior market-making contract it had with Questrade Inc. (“**Questrade**”) originally dated and disclosed June 4, 2014. The company would like to thank Questrade for their services over the previous two years.

### **About Trapeze**

Trapeze is a registered broker and member of the Investment Industry Regulatory Organization of Canada and the TSXV and is a Participating Organization as such term is defined in the rules of the Toronto Stock Exchange. Questrade offers market-making services on behalf of TSX and TSX-V listed companies providing liquidity on the stock exchange for shareholders.

### **About Inca One**

Inca One is a Canadian-based mineral processing company with a gold milling facility in Peru, servicing government-permitted, small-scale miners. As part of the terms of the original purchase agreement for the Chala, Peru processing facility, Inca One has an agreement between its wholly owned subsidiary, Chala One SAC, and the seller and initial permit applicant, to operate under the umbrella of formalization until the successful completion of all the environmental and operating permits. Peru, a highly mineral-rich country, is one of the world's top producers of

Statements regarding the Company which are not historical facts are "forward-looking statements" that involve risks and uncertainties. Such information can generally be identified by the use of forwarding-looking wording such as "may", "expect", "estimate", "anticipate", "intend", "believe" and "continue" or the negative thereof or similar variations. Since forward-looking statements address future events and conditions, by their very nature, they involve inherent risks and uncertainties. Actual results in each case could differ materially from those currently anticipated in such statements due to factors such as: (i) fluctuation of mineral prices; (ii) a change in market conditions; and (iii) the fact that the Company has limited operating experience with its Chala plant and future operational results may not be accurately predicted based on this limited information to date. Except as required by law, the Company does not intend to update any changes to such statements. Inca One believes the expectations reflected in those forward-looking statements are reasonable but no assurance can be given that these expectations will prove to be correct and such forward-looking statements included herein should not be unduly relied upon.
